## Contents

### Veterinary Medicine and Animal Morphology

- Lepekhova S.A., Aparcin K.A., Goldberg O.A., Galeev Yu.M., Salato O.V., Prokopev M.V., Koval E.V.  
The inflammatory damage of the liver made by splenectomy in the yearly postoperative period after the operation.....6
- Nekhurov L.B.  
The manifesting zoonoses of Baikal region.....11
- Pronin N.M., Batueva M.D., Sondueva L.D., Dugarov Zh.N., Burdukovskaya T.G., Bodiev E.R.  
Parasite fauna and structure of communities of parasites of small fry of Eravno-Harginsky lakes (Transbaikalia)....14
- Cyrempilova N.A., Cydypov V.C.  
Quantitative and specific structure of microorganisms in intestines calfs under influence of preparation Aversekt-2. in conditions of an educational facilities «Baikal».....19

### Farming, Soil sciences and agrochemistry

- Darmaeva N.N., Badmaev N.B.  
Physical and physicommechanical properties of permafrost soils as the factors of agro-ecological stability and potential fertility.....22
- Lavrentyeva I.N., Ubugunova V.I., Ubugunov L.L., Merkusheva M.G., Badmaev A.B.  
Isolation CO<sub>2</sub> from the surface of the soils of different ecosystems of the Ivolginsk basin (West Transbaykal)....27
- Pigareva N.N., Makushkin E.O.  
Features humus condition and biological humic peaty gley permafrost soil.....36

### Plant Production, Seed Selection And Breeding

- Badmaev A.B., Doroshkevich S.G., Ubugunov L.L.  
Productivity, Quality and The Accumulation of Heavy Metals in the Vegetable Cultures With the Introduction of Sediments of the Effluents.....42
- Gorbunov I.V.  
Stability of the Currant Eared in Culture to Climatic Conditions of East Transbaikalia.....45
- Esenbekova P.A. Bekturov D.S.  
The Entomophages of Colorado Beetle (*Leptinotarsa Decemlineata* Say, 1824) (Coleoptera, Chrysomelidae) in South-East Kazakhstan.....49
- Martemyanova A.A., Husnidinov S.K., Kudravceva T.G., Zamashchikov R.V.  
Estimation vital strategy of perennial plants in polyspecific (joint) AGROPHYTOCENOSIS In conditions OF PRE-BAIKAL REGION.....52
- Merkusheva M.G., Lavrentyeva I.N., Boloneva L.N.  
Stability Seyanyh Cereal Silage at Miscellaneous mode their use.....59
- Moroldoev I.V.  
Ecology Bug-Men With a big Moustache (Coleoptera, Cerambycidae) East Pribaikalye.....64
- Nimazhapova T.B., Abasheeva N.E.  
Effects of Selenium on Peas and oats Harvest and Fodder Quality.....67
- Pigorev I.Y., Denisov V.A.  
Sugar sorghum is a perspective feeding crop of the central black-soil zone.....71
- Prokhorova N.A., Stepanov A.F.  
Features of formation and after cleaning of ripening of seeds the rare of forage crops.....77

### Rudykh S.G.

- Butterflies (Lepidoptera, Rhopalocera) – the Pests of Agriculture and Green Plantations in Buryatia.....82
- Ruzavin Yu.N., Biltuev A.S., Mangataev C.D., Piyankova N.A., Cydypov B.D.  
Influence potassium feeding Level on Productivity of the Potatoes in Condition Dry Steppe of Buryatiya .....87
- Hristich E.V., Stepanov A.F.  
Features of use sorrel hybrid feeder on seeds .....93
- Shodotova A.A.  
Beet webworm (*Ixostege sticticalis* L.) – the main pest of the cultural plants.....97

### Animal husbandry

- Dambiev A., Kambalin V.  
Modern condition of northern reindeer breeding in Buryatiya.....105
- Carpova E.P.  
Meat productivity of Kalmyc breed young bulls that were grown with the help of different technologies are given.....107
- Halmatov M.  
Growth and Development Half the Rough Wool and Thin Fleece the Sheep Planted in Buryatiya.....110
- Shaglaeva Z.  
Productivity of sapling of pigs at growing and fattening on the mixed fodders with including of different protein-vitamin-minerals additions.....116

### Nature Management and Cadastre

- Kulikov A.I., Kulikov M.A., Smirnova I.I.  
About depth protaivaniya ground when change the climate.....121
- Ochirov O.N., Cydypov B.Z., Bazhenov V.S.  
Determination area hollows with use radar topographical data.....127
- Cydypov B.Z.  
Creation NDVI-scenes with use remote operated plane with built-in system multispektral removals.....134

### Agricultural Food Production and Processing

- Dagbayeva T.C., Chirkina T.F., Dorzhiyeva N.V.  
The Comparative estimation of the chemical composition of meat burayt semi-roughlywool and their mongrel with after *Baikal fine-fleeced by sort burayt type and tekseli*.....141

### Mechanization and Elictrification

- Badmaev S.S., Damdinov D.G., Sangadiev S.SH.  
Relationship between model of excited state and the valence-configuration theory of viscous fluxion of non-organic glasses.....144
- Kuzmin A.V., Bolochoev V.S.  
The Project of Potato Harvester.....148

### Problems, Judgements, Short messages

- Mannanov I.A.  
Birds of gardening sections of the Khabarovsk region...151
